Red Sox Proclaimed Pennant
Winners by Curley in En-
thusiastic Letter to Presi-
dent Lannin.

(By Evening Herald Leased Wire)
Boston, Sept. 22.—The Red Sox, leading the American League by four games, were acclaimed as pennant winners by Mayor Curley in a letter received by President J. J. Lannin of the Boston club today.

"It is a great honor which you have brought to Boston," the mayor wrote. "No baseball team in the country has ever played a fairer game."

Red Sox officials are looking toward preparations for the world series. Until that title is clinched more securely, Mr. Lannin said no announcement of place will be made. Between 2,000 and 2,600 applications for seats already have been received.

Mr. Lannin has under consideration an offer from President James E. Gaffey of the Boston Nationals, inviting him to use the Braves' field if the Red Sox go into the world series.

INDICTMENTS IN EASTLAND CASE RETURNED

Officers of Owning Company
and Many Others Cited in
Connection With Disaster in
Chicago River.

(By Evening Herald Leased Wire)
Chicago, Sept. 22.—Federal indictments in connection with the Eastland disaster July 24, when the excursion steamer capsized in the Chicago river, causing the death of 121 persons, were returned today, charging conspiracy and criminal carelessness in the operation of an unsatisfactory boat.

Those named in the true bills were: George T. Arnold, president of the St. Joseph-Chicago Steamship company, owners of the Eastland; William H. Hull, vice president and general manager of the same company; Walter K. Greenbaum, manager of the Indiana Transportation company, which chartered the Eastland for the fatal excursion; Harry Pedersen, captain of the vessel; Joseph Erickson, chief engineer; Robert Reed and Charles C. Ecclefe, government steamship inspectors at Grand Haven, Mich.; W. C. Steale, secretary-treasurer of the St. Joseph-Chicago Steamship company, and the St. Joseph-Chicago Steamship company and the Indiana Transportation company as corporations.

Arnold, Hull, Pedersen, Erickson, Steele and Roy W. Davis, assistant secretary-treasurer of the St. Joseph-Chicago Steamship company, were indicted by a state grand jury in connection with the disaster several weeks ago.

Assistant State's Attorney Michael V. Sullivan today denied the statement made in a St. Paul dispatch to Edward P. Sweet, assistant secretary of the Department of commerce at Washington, to the effect that the Eastland disaster was due to submerged pilings.

"At the time of the disaster," said Mr. Sullivan, "we had five soundings made and employed divers, who said there were no pilings in the river."

Harry Halverson, a diver, who made repeated explorations of the river bed after the Eastland disaster again descended to the river bottom today and on coming to the surface said that he had found two pieces of piling near where the Eastland was decked.

The conference this morning was held at the office of Superintendent George at the docks. Mr. George is an enthusiast on the subject of displays of this sort, and has promised that the Santa Fe will make a showing that will be one of the big features of the exposition.
